WELCOME

Dear members, friends and partners of World Kickboxing and Karate Union (WKU)

Welcome to CHINA WANNING CUP 2014 WKU – OPEN WORLD CHAMPIONSHIPS at the beautiful tropical island of Hainan at the south coast of China.

The success story of modern combat sports started in China! Chinese martial arts originated during the Xia Dynasty more than 4000 years ago. It is said the Yellow Emperor Huangdi (legendary date of ascension 2698 BC) introduced the earliest fighting systems to China.
It was very logic and always a goal for me to organize a WKU - World Championships in China one day. I always wanted to give fighters from all over the world the opportunity to compete at this holly ground of martial arts. With my experience and passion for organizing combat sports World Championships for more than 15 years, I make sure, this will be a new chapter in the history book of WKU, specially now that we can welcome China in our Family.

All athletes will find perfect and professional conditions at Wanning to perform great moments of combat sports.

CHINA WANNING CUP 2014 WKU – OPEN WORLD CHAMPIONSHIPS is the global tournament in the disciplines of Free Style Forms Extreme, MMA, Thai Boxing, Pointfighting *TAG* Team and Light Contact within selected weight classes.

THE CHAMPIONS CLUB! The Mixed Pro World Championship Fight Night will be another highlight. The strongest men and women of professional martial arts will challenge the finest fighters from China.

I am looking forward to welcome you in Wanning, China.

KLAUS NONNEMACHER
World President GCO/WKU
